LOVE RUBIS CHAIR BY NIKA ZUPANC

\$1,660

## DESCRIPTION

This exquisite chair is part of the Love collection, first introduced at Milan Design Week 2018. Its brass structure boasts a charming heart-shaped backrest that is playful and modern, creating a delicate decoration in a contemporary entryway, bedroom or dining room - when combined with other pieces of the same collection to add colors around a table. The round cushion of the seat is upholstered in a ruby-red color that strikingly complements the warm hue of the metal for an elegant effect.
