LOVE SEAT WITH INLAYS

\$8,880

DESCRIPTION

This charming love seat was crafted in solid wood that was carved by hand and given a natural finish that enhances the sophistication of the classically inspired curls on the wood. The elongated structure is accented with two armrests on the sides and encloses the comfortable seat, upholstered in pure cotton in a delicate beige color that complements the piece. This exquisite object of functional decor is an ideal addition to a traditional entryway, study, or bedroom.
