## LUCKY STAR AQUAMARINE FLOOR LAMP

\$3,190

### DESCRIPTION

This floor lamp is a stunning addition to a contemporary interior, where it will be a strong visual focal point in an entryway, living room or study. Its different colors, textures, and materials mix to create a striking effect that is both dynamic and sophisticated. The satin-finished brass square base supports a central wooden column with a sculptural silhouette. The cylindrical shade features an inner body in aquamarine velvet, while the outside is in gold-finished satin.
