LUGLIO CERAMIC VASE BY GEORGE SOWDEN - POST DESIGN

\$550

DESCRIPTION

This expressive and bold ceramic vase will make a striking decorative accent on a dining table, console, or bookcase in a minimalist or industrial interior. Defined by a pyramidal shape, a graphic pattern of horizontal and vertical lines stands out on a white background enhancing its verticality. This exclusive piece by industrial designer George Sowden is best showcased alongside other vases from the same collection for a cohesive and dynamic display. Materialism Collection.
