LUI 5/A BEIGE ARMCHAIR BY PHILIPPE BESTENHEIDER

\$6,790

DESCRIPTION

This stunning armchair is part of a series by Philippe Bestenheider that features a modular chair silhouette crafted of pentagonal elements. The wooden structure is finished with a lead leaf and comprises tapered legs with slanted back legs that support the seat, opening armrests, leaning backrest and two headrests that create the look of a stylized flower blossoming. Each pentagonal element is covered in elegant Viennese cane.
