## LUI & LEI WHITE PENHOLDER BY VINCENT VAN DUYSSEN

\$310

### DESCRIPTION

The simple and fluid shape of this penholder of the "Lui & Lei" collection by Vincent Van Duysen combines with the purity of the materials to create a stunning functional object that will enrich any office decor, from the most traditional to the highly contemporary. This extraordinary piece is made of white Carrara marble and has the top rim accented with dark brown eco-leather, a visually striking textural and color contrast that will stand out on a dark executive desk. Also available in a refined monochromatic version that features green Verde Alpi marble and dark green eco-leather.
