LUMÉ FLOOR LAMP

\$2,280

DESCRIPTION

This stunning floor lamp is a celebration of contemporary sensibility and traditional materials. The minimalist silhouette, a simple rectangle that shields the lights shining from behind it, is made in wood. The bottom half is covered with a solid brass sheet that was engraved and etched with a geometric pattern that is delicate and modern. Combining the warmth of wood and the elegance of metal, this floor lamp will make a statement in any room.
