## LUMETRE SCONCE

\$620

### DESCRIPTION

A timeless and sophisticated design that will add light and an elegant textural decoration to any wall, this sconce will be equally at home in a contemporary and a classic interior. It is crafted entirely of brass with a satin finish and features a square base with flared edges from which vertically stem three arms. This lamp is class II IP20. The voltage is 220-240V/50Hz (max 12W LED E27) with three included G95 7.5W LED dim 2700K 806 LM milky bulbs. It is also available with satin copper, satin nickel, and brushed bronze finish, please consult the Concierge for details. For 110V bulbs not included.
