LUMETTO C SCONCE

\$345

DESCRIPTION

This elegant sconce is part of the Lumetto Collection, distinctive for its minimalist design and striking details. Entirely crafted of brass with a brushed bronze finish, this lamp comprises a round base with a vertical stem holding its bulb. This lamp is class II IP20. The voltage is 220-240V/50Hz (max 12W LED E27), and the included bulb is a G125 5W LED dimmable bulb. Satin copper and satin nickel finishes are available as well as all brass. Please ask the Concierge details and pricing with these options. Contract and commercial certifications available upon request.
