LUNA ORIZZONTALE LAMP 3 BY GIO PONTI

\$1,580

DESCRIPTION

This lamp was built based on a prototype designed by Gio Ponti showed at the Triennale in Milan in 1957 but never realized. The structure of this piece is in brass with a smooth satin finish, also available in brass with a nickel finish. The interestingly shaped light shade is in plastic and will gently diffuse the light creating a tranquil ambiance in any decor, whether it is contemporary or classic.
