LUNA QUADRA WALL LAMP BY CARLO GUGLIELMI

\$580

DESCRIPTION

Offering a likeness to the magic of the evening light on Capri, the Luna Quadra Wall Lamp produces an extraordinary wallwash light effect. While paintable screens are also available on request, the materials used here are composites of resins and marble powders, allowing for the creation of designs with a look similar to the surface of the moon. May also be used as sconce. Contract and commercial certifications available upon request.
