**LUNAR SCONCE IN ROSSO LEVANTO MARBLE AND ONYX**

\$1,560

## DESCRIPTION

The possibility of turning it into a table lamp or pendant lamp makes this sconce a versatile lighting piece capable of bringing the innate allure of the moon into any interior. Attached to the wall by means of a tiered mount of Rosso Levanto marble, the spherical lampshade is crafted of white onyx that, when light-up by the single G9 LED bulb housed within, emulates the warm appearance of the moon as it is seen from Earth. Other marble variants are available, please inquire with the Concierge for options and technical details.
