LUSTER GUNMETAL PENDANT LAMP

\$1,190

DESCRIPTION

Borrowing its name from a well-known Milanese shoe polishing product, Luster is a linear and elegant brass lamp that stands out for its gunmetal color and glossy smooth texture. The special coating technique creates a soft and silky touch, emphasizing the sleek cylindrical shape of the pendant lamp which will look stunning arranged in a curtain of light tracks. Requires an LED W5, please contact the Concierge for additional technical details.
