LW 22 STOOL

\$1,430

DESCRIPTION

This versatile stool can be used as also as a coffee table and will enrich a modern decor with its subtle elegance. It is part of the LW collection and can be paired with other similar ones from the same series to create a more dynamic effect. Its three legs are in MDF (Medium-Density Fiberboard) and were dyed in grey. They support a top in multi-layer birch wood and the two colors create a delicate combination that will suit any room in the home.
