LYRA DRESSER

\$12,370

DESCRIPTION

Rigorous wooden volumes made endlessly elegant by enveloping them with luminous, sand-blasted gold leaf mark the Art Deco-inspired design of this precious dresser crafted from intensely-grained oak. Seemingly suspended over a matching base, its storage unit is equipped with drawers minutely carved to obtain a sinuous and organic design that appears framed by the structure's sculpted edges. The front can also be painted with gold metallic paint upon request to the Concierge.
