M.U.M. TEAPOT

\$140

DESCRIPTION

This elegant teapot was crafted of ceramic with a striking matte black embossed finish that is timeless and elegant. Its pure geometric lines are gentle and combine straight and round elements for a welcoming, sophisticated effect. Silky to the touch, this piece features a lid that fits at the top without sticking out, contributing to the minimalist design of the piece. Elegant on any occasion, this teapot will be the standout element of an afternoon tea or an after-dinner hot drink.
