MACCHIA SU MACCHIA SELVA SCENTED CANDLE

\$210

DESCRIPTION

Capturing the fresh scent of evergreen woods and mountain air, this luxury scented candle by Stories of Italy is the essence of winter freshness. Made with vegetable wax, this candle will grace any spot with the impeccable style of its unique container crafted of mouth-blown Murano glass. The exquisite speckled chromatic effect is created by layering yellow pigments and glass flakes into the molten green glass, in a complex process known as "macia" carried out by master Venetian glassmakers.
