### MACCHIA SU MACCHIA SET OF 2 BLACK AND WHITE GLASSES

\$170

#### DESCRIPTION

These mouth-blown Murano glasses are designed to elegantly dress both casual and formal dining tables with their white-speckled pattern over a black background. The cylindrical shape is hand-finished with "macchia" ("spots" in Italian), up to five different layers of white pigments and flakes applied through multiple fusions to achieve a richer texture and chromatic quality. Available in other colors, this set can be mixed with other patterns from Stories of Italy Collection for a special dinner setting that guests will not forget.
