### MACCHIA SU MACCHIA SET OF 2 GREEN BLUE AND IVORY GLASSES

\$170

#### DESCRIPTION

These stunning mouth-blown Murano glasses are part of an elegant set in green, blue, and ivory that will enliven a sophisticated home on any occasion. Used with identical ones or combined with other items in the same "Macchia su Macchia" collection, this set will be a one-of-a-kind work of art. Each piece is crafted by one master and two assistants using traditional methods, and takes four hours to be made. Its surface is decorated by applying several layers of colorful pigments and creating a striking pattern of spots ("macchie" in Italian) for a unique and refined effect.
