### MACCHIA SU MACCHIA YELLOW, IVORY AND PINK TALL VASE

\$320

#### DESCRIPTION

Reminiscent of the colorful glazes, marbles, and "pietre dure" typical of Murano tradition, this vase of the Macchia su Macchia series is handcrafted using an innovative variation of the "macchia" technique. The mesmerizing texture of yellow, ivory and pale pink pigments is obtained with multiple applications of colorful pigments and flakes. By removing the crystal the layers acquire an unexpected opacity that brings to life the dense texture. Due to its exclusive hand-processing, the chromatic patterns are always different, giving each vase a one-of-a-kind quality.
