MADAGASCAR SET OF 6 WATER GLASSES

\$205

DESCRIPTION

A rainbow of colors that will enliven any occasion, this set of six water glasses is elegant and eclectic. It can be used everyday or, combined with the other sets in the same Madagascar Collection to create a striking effect on a neutral-tone or monochromatic table. The pieces are made of crystal and decorated entirely by hand and boast a colorful plinth base, each marking with an individual character each glass, supporting a golden bowl. Each glass is 10 cm in height.
