Mazzotti 1903

MADAMA RENATA SCULPTURE

\$210

DESCRIPTION

This ceramic was designed by Tullio Mazzotti, the fourth generation of the Mazzotti ceramisti. The Mazzotti family links its futuristic production to the thirties. Tullio Mazzotti, current owner of the glorious manufactory, is a craftsman, artist, painter, designer as well as "artisan movers" in Albisola. These precious ceramic artworks are produced by the author's original design, with the same passion, with the same materials and with the same manual work procedures that have always been used by the Mazzotti Ceramic Factory Mazzotti in Albisola are present in important museums in Italy And in the world. Even today, Giuseppe Mazzotti manufactures is the cultural reference point in Italy for the production of design works in limited prints and craftsmanship of ceramics specifically designed for the customer. This ceramic is inspired by female figures, their beauty and sweetness. A simple jar made manually on the lathe, takes life and becomes ... Madama Renata.
