MADAMIN TABLE LAMP

\$330

DESCRIPTION

A charming design that incorporates round and sinuous elements for a delicate effect, this table lamp was created by Christian Fenouil for Interia. It is a striking addition to both a modern and a classic interior, the lamp's body is crafted entirely of brass with a dark grey finish. This lamp is class II IP20. The voltage is 220-240V/50Hz (max 4W LED E14) with one (included) G45 4W LED dim 2700K 300LM bulb. The cord is 2 m long with two black PVC wires measuring .75 mm. For 110V bulbs not included.
