MADISON TRAY

\$1,530

DESCRIPTION

This superb tray will make a statement in any room. It can be used to style a modern entryway, or to serve small food in a living room. Its wooden base is upholstered in real shagreen leather dyed either in mole brown or black, whose unique and luxurious texture strikingly contrasts with the four geometric handles in chrome-finished metal. Exquisite craftsmanship and the use of fine materials make this piece a sophisticated addition to any decor.
