## MADRE-MARE IRIDESCENT TABLE LAMP

\$3,430

### DESCRIPTION

This one-of-a-kind ceramic table lamp stands out for its poetic shape and mesmerizing iridescence, obtained with the Persian luster technique. It flaunts a dappled finish of metallic gold that stays unchanged over time thanks to the use of oxides and the second firing in a reduction kiln. It actualizes the poetic inspiration of a female personification of the sea singing a love lullaby with a little merman. The light filters through the fish-shaped holes for a suffused and evocative effect.
