MAHARAJA GRAY BEDDING SET

\$3,540

DESCRIPTION

This exclusive Queen-size bedding set is woven using top-quality gray silk jacquard, whose amino acids naturally contained in its fibers add a delicate moisturizing effect. The motif gracing the two flanged pillowcases (50x80 cm each) and the top sheet (270x300 cm) is inspired by one of the oriental drawings of Olga Frua's personal archive and depicts Cupid, the god of love, meeting a nobleman in the saddle of his ostrich. The flat sheet is in solid color.
