Olga Frua

MAHARAJA GRAY PILLOW CASE

\$220

DESCRIPTION

The preciousness of the finest 100% silk jacquard meets the exotic charm of one of Olga Frua's original drawings. Tailored with mitered corners and a concealed zip at the back, this fine square cushion flaunts a sophisticated motif depicting a nobleman riding an ostrich as he reaches an oasis where he meets Cupid, the god of love, as he is about to launch an arrow. The unparalleled softness of the silk has a subtle moisturizing effect on the skin thanks to the natural amino acids contained. This cushion is also available in the 40x40 and 30x40 cm size variants.
