## MAHARI CHROME TABLE LAMP

\$2,430

### DESCRIPTION

A stunning addition to both a contemporary and industrial interior, this table lamp is an exquisite object of functional decor that provides the light from its two 4.8W 3000K LED bulbs and also infuses a room with the sophisticated allure of minimalist elegance. Its rectangular base, two-piece, L-shaped adjustable arm, and cylindrical shade are crafted of metal with a polished chrome finish. Either by a contemporary bed, on an industrial desk, or in a monochromatic living room, this piece will make a statement. For customization, please inquire with the Concierge.
