MAJESTIC NIGHTSTAND BY GIANNELLA VENTURA

\$9,915

DESCRIPTION

Minute details and refined lines mark the design of this polished wooden nightstand. Entirely upholstered with light gray fabric and embellished with bright, brass-finished metal details, the charm of this piece comes from the elegant tonal harmony and the finely crafted prominent texture gracing its external sides. Equipped with two drawers, this nightstand could also be lined with leather or customized with other finishes and colors, please inquire with the Concierge for details.
