MAJORD'HOME CABINET

\$26,100

DESCRIPTION

Majord'Home reconciles the personal cultural identity of a single person with that of a whole people. The inlay pattern mirrors Mount Vesuvius contour lines, depicted as if they were fingerprints. The interior of this cabinet is rich with figurative and geometric decorative elements that tell the story of Hebanon master cabinet-makers. This cabinet features a mini fridge, a wine cellar and a heating drawer. Majord'Home is a discreet and helpful butler that is available 24/7 in your villa, yacht or office. The cabinet is made of inlaid wood, white erable and ebony. The interior is made of smoked oak veneer, with inlaid details in various wood types.
