\$1,355

DESCRIPTION

This stunning table lamp was introduced at Milano Design Week 2018 as part of the Malibu series. Its minimalist silhouette and elegant craftsmanship makes it a stunning addition to a contemporary home, where it can be displayed alone or along with the other pieces of the series to add a unique lighting source to a living room or entryway. The pyramid-shaped base is in ceramic and supports a structure in brass with a striking semi-circular shape at the top and silk wiring.
