MANDELLO SURFSKATE BY MATTEO BIRAGHI

\$300

### DESCRIPTION

Entirely crafted of Siberian birch with 15/10 thickness, this refined surf-skate board designed by Matteo Biraghi is hot-glued using high-strength and waterproof urea glues and finished with acrylic water-based paint. The exquisite geometric pattern is composed of hexagonal inlays of prized mahogany, Canaletto walnut, natural and bleached oak. Wheels, truck and other accessories are not included.
