MANHATTAN OTTOMAN

\$4,095

DESCRIPTION

The ideal complement of the Manhattan Sofa, this ottoman's size is generous enough to function as extra seating in a living room or study, and can be used as bench in a bedroom or entryway. Its ergonomic silhouette is delicate and plush and distinctive for its cantilever feet in wood with a black dye. Black fabric covers the non-deformable polyurethane expanded foam, mixed with polyester fibers with weaved elastic belts. The structure in is wood. Contract and commercial certifications available upon request.
