## MANICURE SET IN EBONY

\$430

### DESCRIPTION

This exquisite manicure set is a modern and elegant accessory that can be displayed in any bathroom, thanks to its sophisticated ebony structure. The wooden cube boasts the fossil of a black ammonites shell on one side. The top is perforated with a series of holes to store the necessary items for a perfect manicure. The pieces are made by Alpen, a company based in Premana, near Milan. Scissors, nail clippers, cuticle scissors, cuticle clippers, cuticle pusher, a nail file, and tweezers included.
