MANTENUTO DINING TABLE BY ADOLFO NATALINI

\$16,890

DESCRIPTION

This sophisticated table in cherry wood with a dark, elegant finish was designed by Adolfo Natalini and features clean lines and three legs with a simple rectangular section. The fourth leg, with an upside-down tapered silhouette, is detached from the structure and connected to the top with the addition of a bronze mini sculpture designed to resemble a hand closing around a stick. This vivid detail will make an arresting effect in any dining room.
