MARBLE PUMO SCULPTURE

\$1,800

DESCRIPTION

This sculpture, hand carved in gorgeous white Carrara marble, evokes ancient Italian traditions. Typical of Grottaglie, a town in the southern region of Apulia, the pumo has many different symbolic meanings. The beautiful stylized rosebud sculpture is a staple in every Apulia home. A piece like this would customarily be given as a wedding gift, symbolizing the beginning of a new life.
