## MARCELLO PLATINUM VASE

\$700

### DESCRIPTION

Entirely crafted by hand of ceramic, this superb vase is inspired by the classic shape of the arch, the architectural element evocative of Italian elegance and tradition. The vase's minimalist and linear silhouette is marked by exquisite platinum details at the top and around the curve of the inner arch highlighting the rectangular mouth. Brimming with timeless sophistication, this refined design will be an ideal, eye-catching addition to a dining table or console in a traditional and contemporary interior paired with long-stemmed flowers.
