MARE RECTANGULAR LARGE TABLEAU TRAY

\$220

DESCRIPTION

A striking and versatile work of art that functions as a tray or wall painting combined with other pieces from the Mare Collection. An exquisite celebration of marine life, it is made of birch wood with a cream-white finish and features a unique decoration of coral branches, and other marine species bursting with energy and passion in this stunning painting. A gold-finished brass plating completes this design. Not suitable for food, wash with delicate products.
