LIGHTING : TABLE LAMPS

Angelo Salemi

MARGHERITA TABLE LAMP

\$3,010

DESCRIPTION

Topped by a timelessly elegant conical shade that is black on the outside and glossy gold on the inside, this table lamp is a unique work of art by artist Angelo Salemi. A circular, footed wooden base finished in polished black sustains the singular ceramic sculpture, which was crafted following the Japanese Raku technique and boasts a vaguely anthropomorphic aesthetic distorted in an exercise of contemporary flair.

DETAILS & DIMENSIONS

- Material: Ceramics
- Dimensions (in): W 13.78 x D 13.78 x H 17.72
- Dimensions (cm): W 35 x D 35 x H 45
- Handmade In Italy
