MARIAMNE GOLD MIRROR

\$2,530

DESCRIPTION

Modern and sophisticated, this mirror was made by hand using reclaimed wood and hand lacquered with a deep shade of blue highlighted with accents in dark red and adorned with buttons on its four corners. The buttons are finished with pure gold leaf and give a precious light to the piece. Traditional techniques were used to craft this one-of-a-kind frame that features the typical 16th century silhouette "a cassetta" and that can be also used to display a painting, or a print (if a 4 cm mount is added).
