MARILYN CHAIR

\$2,590

DESCRIPTION

The dimensions of this Marilyn armchair are subtle yet dynamic, resulting in a work of functional decor that will heighten the timeless artistry of any living room or private study decor. The architectural silhouette of this Bergere-style armchair is made of ebonized wood upholstered in a luxurious brown fabric, the swooping arms and broad back with button tufting creating an inviting, enveloping sitting space. Four saber-shaped legs in exposed wood support the piece, creating visual harmony with the fabric upholstery.
