## MARION VALET STAND

\$6,990

### DESCRIPTION

This valet stand is a versatile and precious addition to a contemporary decor, while also being a superbly decorative accent that will enliven a bedroom with its sculptural allure. The metal tray with a satin-brass finish at the base is upholstered in Grassè leather with a brick-red color, two solid American walnut elements stem and bend upwards to create the two-height support for the brass-finished metal of the hangers. This exquisite piece can be combined with the Marion Vanity Table for a cohesive effect.
