MARLEN MET BLACK STOOL BY EP STUDIO

\$860

DESCRIPTION

A splendid piece of vintage elegance, this stool boasts a total black look and an exquisite silhouette of '50s inspiration. Designed by EP Studio, it features a black-lacquered metal structure composed of long and slim legs whose lightness contrast with the sturdy look of the welcoming seat and backrest, both padded with foam rubber and upholstered in fine velvet. Perfect for both residential and commercial interiors, this ergonomic and versatile piece is also available in brass, copper or ash wood.
