MARMO MEDIUM PAPER AND LEATHER ALBUM

\$110

DESCRIPTION

This exquisite photo album will be a charming addition to any home and can be a splendid gift idea. Its interior features 30 pages to fill with memories, while the exterior is covered in precious handmade paper that was treated with the marbling technique that creates marble-like streaks on its surface. The golden and red accents on the cover elegantly complement the deep red leather covering the corners and spine of the book.
