MAROON MR. NEST CUSHION PAKISTAN 1 BY PAOLO CAPPELLO

\$3,370

DESCRIPTION

A deft showcase of artistic skill by Pakistani artisans, this superb cushion is inspired by the geometric motifs found in ancient Persian art: simple lines in yellow thread reveal curved and angular forms that emerge from the maroon background. Designed by Paolo Castello in 2013, this 100%-wool cushion is hand-knotted entirely in Pakistan and features 100 knots per inch and 6mm-high pile. Available also in a smaller size of 50x50 cm.
