MARTA GOLD MIRROR

\$1,610

DESCRIPTION

Simple lines, precious materials, and traditional crafting methods make this mirror a unique addition to any decor. The reclaimed wood of this rectangular frame is hand painted in a sophisticated shade of sage green. The inner edge is jutting and deeper than the rest of the piece, creating an interesting texture, while four small roses painted using a burin in pure gold leaf add a warm glow to this one-of-a-kind object. Either for a mirror, a painting, or a print (provided the use of a 3 cm mount), this frame will make a statement in any decor.
