MARTE CABINET

\$22,725

DESCRIPTION

This spectacular cabinet will be a spot-on choice for an eclectic contemporary interior. Distinguished by an iconically geometric profile, it features a wing-shaped veneered wood structure with glass doors, and an upholstered back equipped with an LED lighting system. The metal base is finished in a nickel shade, while the top is exquisitely crafted of white marble. Also available in a wide range of marble types, please ask the Concierge for further details.
