MASAI OVAL MIRROR

\$540

DESCRIPTION

Reminiscent of a Masai mask, this elongated oval mirror is adorned with faux leather whose patterns are inspired by the colorful decorations of this Africa tribe. At the bottom, a pink vertical trim is hung, while each side the mirror is flanked by a trim with alternating light green and black pieces. Colorful and bold, this modern mirror will enhance the look of a contemporary living room or entryway, but it can also be a perfect addition to a study, bathroom, or bedroom.
