MASINI COLLECTIBLE EGG - SAFARI COLLECTION

\$525

DESCRIPTION

Symbol of the source of life, collectible eggs are one-of-a-kind artworks made of unfertilized ostrich eggs. This piece, from the Safari collection, inspired by the stunning African landscape, features a hand-painted elephant on the background featuring an African landscape. The colors result from an average of fifty layers of paint that require over 10 days to complete. The 925 silver base features three elephants with raised trunks made using the lost wax casting technique.
