MASSIMO GOLD VASE

\$800

DESCRIPTION

Entirely handmade, this ceramic vase is the expression of exquisite craftsmanship. Its unique design honors the heritage and iconic elegance of Italian architecture: two elegant arches creating a classic portico complete with luxurious 24k gold details strikingly complement the white finish of the ceramic. Three opening at the top are ideal for arranging seasonal long-stemmed flowers to create a whimsical, magical garden aesthetic. This stunning piece of functional decor will be a magnificent sculptural decoration in a classic or modern home.
